Authority and Reference: Pursuant to the authority vested by Section 18611 of the Business and Professions Code, and to implement, interpret or make specific Sections 18640 and 18714 of said Code, the commission is considering changes to Division 2 of Title 4 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Amend section 309.

Business and Professions Code section 18640 specifies that the commission has the sole direction, management, control of, and jurisdiction over all professional and amateur boxing, professional and amateur kickboxing, all forms and combinations of forms of full contact martial arts contests, including mixed martial arts, and matches or exhibitions conducted, held, or given within this state. No event shall take place without the prior approval of the commission. No person shall engage in the promotion of, or participate in, a boxing or martial arts contest, match, or exhibition without a license, and except in accordance with this chapter and the rules adopted hereunder.

Existing Rule 309 specifies the length of time a boxer can compete between bouts.

This proposal would specify that a licensee who has competed anywhere in a bout any length shall not be allowed to compete in this State until seven days have elapsed after the bout.

and

The following studies/relevant data were relied upon in making the above determination: None

The commission is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

EFFECT ON SMALL BUSINESS

The commission has determined that the proposed regulations would not adversely affect small businesses because the 7-day rule is the standard in the United States and boxers do not generally have bouts less than 7 days apart.

CONSIDERATION OF ALTERNATIVES

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.
